Existing Users must notify the Manager of any changes to timetables at least 42 days prior to the change taking effect.

Potential and existing Users are encouraged to discuss future timetables with the Manager ahead of submission of registrations to the Traffic Commissioner in order to ensure that departure facilities are available.

Users of the Bus station must provide the Manager with a copy of their vehicle and public liability insurance annually.

The Bus Stations

The Bus Stations is open 24 hours per day.

Ripon Bus Station has 4 departure stands and Knaresborough Bus Station has 3 stands. No layover bays are available.

The design of the bus stations is such that it is unsuitable for use by certain types of vehicle including articulated buses, buses with rear entrances/exits and buses with a centre exit door.

Details of departures are shown adjacent to each departure stand and the displays are maintained by the Harrogate Bus Company using data provided with the registration.

No staffing is provided at either location. No facilities are available for drivers within the Bus Station.

Any User shall abide by the Operating Instructions set out in Annex 1

Allocation of Stands

Departure stands will be allocated with regard to

- The destination of the service, ie services with similar destinations will be grouped together where ever possible.
- The type of vehicle to be used
- Preferences of the operator concerned.
- Available capacity.

Departures are allocated to stands on the basis of 5 minute departure slots.

Charges

A charge of 53p for each departure and 47p for each arrival which does not have a corresponding in service departure. Charges are reviewed on 1st April each year and operators are notified by 1st March.

Dispute Resolution

In accordance with Article 6.1 of the Order a User must inform the Manager in writing of its intention to initiate the dispute resolution procedure within 50 days of the dispute arising. Where it is agreed to appoint an Independent Expert, the cost of appointing such Independent Expert will be borne equally between the Manager and User. Where the dispute involves a number of Users, half of the cost of appointing the Independent Expert is to be borne by the Manager and the other half by the Group as a whole.

In accordance with Article 6.2 of the Order a dispute regarding the provisions of the Conditions of Use must be initiated within eight weeks of the Conditions of Use (or disputed amendment) coming into effect or first applying to the User, whichever date is later.
